Dear Raphaela,

Thanks for the last batch of the ~~xx~~ retyping. Now through page 705.

Thanks also for the protection you included so th pages would not get dogeared.

It came in good shape.

I do appreciate your squeezing this in whenever you can.

Thanks very much for it.

Some people are writing and asking me for it, the full ms. A woman in Cedar Rapids to whom I've just responded misunderstood that thought I am still writing it. She asked for the cost of it and of NEVER AGAIN!

When you are finished if the disk is available that will help. I cannot make copies for individuals but with the disk may be able to supply a copy to libraries.

Again thanks, sincerely,

Harold
